

The Spa at Muckross Celebrates Two Awards at the Irish Tatler Spa Awards 2019

The Spa at Muckross has twice the reason to celebrate after picking up two awards at the Irish Tatler Spa Awards 2019 which took place on 23rd September 2019.

The Spa at Muckross won the coveted Best in Service Award as well as picking up the award for Best Facialist for Karen Coffey. The Irish Tatler Spa Awards are designed to highlight Ireland's premier spas and set the standard for quality, innovation and service. A team of expert judges travel around Ireland and evaluate spas based on a specific set of criteria to determine the best spas around the country.

Collecting the award on Monday, spa manager Noreen Middleton said, "I am delighted to accept this award on behalf of the team at The Spa at Muckross. It's a great achievement for all the team to have their hard work and dedication recognized with these two awards."

Muckross Park Hotel & Spa is the only spa in Ireland to offer treatments from The Organic Pharmacy, a skincare brand that leads with innovation in the luxury health and beauty arena. With relaxation time in The Spa's Vitality Suite included in each spa package, guests can take time to relax before their treatment in the refreshing outdoor hot tub, vitality pool, heated loungers, steam room and sauna, before enjoying the view in the Garden View Relaxation Area post-treatment, the ultimate chill out zone.
