

## **Muckross Park Hotel & Spa launches exclusive Tea Room and elegant afternoon tea experiences**

The Tea Room at Muckross Park Hotel & Spa is a delightfully frivolous and charming room, pretty and glamorous with a hint of Art Deco and a soupçon of theatricality. With blush pink ostrich feathers and gold accents, animal print and rich marble, lush greenery and etched glass, the Tea Room is an appropriately luxe setting for a leisurely afternoon spent with friends, enjoying that most pleasurable of rituals — afternoon tea.

Afternoon tea at Muckross Park Hotel & Spa has been designed by Executive Chef, Scott Kapitan, to reflect the hotel's stunning setting in the heart of Killarney National Park. With two different menus, one classic and another vegan/gluten-free/guilt-free option, each available for €39 per person, Chef Kapitan has created a tribute to the region that includes some fine local ingredients to create a high-end and luxurious afternoon tea experience.

With an elegant array of fine savoury sandwiches, freshly-made scones baked to a traditional recipe and some uniquely crafted and delicate desserts, these are paired with 20 exceptional teas from Ronnefeldt Teas, with guests having the option of choosing one of the delicious, carefully curated loose leaf teas from one of Europe's oldest and world-leading tea houses or, indeed, sampling a number of them, if they wish.

As well as luxurious teas created by the innovative and passionate tea connoisseurs at Ronnefeldt, guests might also indulge in a sparkling glass of Veuve Clicquot Champagne for €22, or even a flight for €25, sampling all three of the Brut, Demi-Sec and Rosé styles from this most prestigious Champagne house.

The Tea Room at Muckross Park Hotel & Spa has been designed by local designer Adrian McCarthy Interiors, bringing together bold statement pieces and a subtly eclectic colour palette to bring a little drama and opulence to every experience.

Afternoon tea is available daily in the Tea Room at Muckross Park Hotel & Spa with sittings at 1 p.m. and 3 p.m. and in the evenings, the Tea Room also makes a gorgeous setting for an apéritif before dinner, and can be booked for drinks between 5.30 p.m. and 8 p.m. daily.

This exquisite new Tea Room in the 5-star setting of Muckross Park Hotel & Spa inside Killarney's majestic National Park provides a beautiful backdrop to what is a unique experience.
