

Afternoon Tea Menu

“There are few hours in life more agreeable than the hour dedicated to the ceremony known as afternoon tea.”

— Henry James, *The Portrait of a Lady*

TEA EXCELLENCE SINCE 1823

A word from our Tea Partner...

"For almost 200 years in over 70 countries, Ronnefeldt Tea is one of the leading brands of high-quality tea and can be found in many of the world's finest hotels and restaurants.

By providing only the best products in an unvarying quality, Ronnefeldt has achieved global recognition in the tea world. The result is remarkable: an excellent tea with a wonderful taste, carefully plucked, processed, stored, prepared and freshly served, in true Ronnefeldt quality since 1823. Perfection in preparing and serving is also required for the perfect cup of tea. Our brand stands for sustainability along the entire value chain of our product.

For Ronnefeldt as a supplier of the natural product tea, sustainable behavior is more than a temporary fashion; it has been an established process of our daily work for nearly 200 years now. Sustainable economic management means for us to combine aspects of social and environmental responsibility with our economic interests. We promote organic tea cultivation; this is why we are able to supply our partners in the hospitality industry with a great variety of teas in certified organic quality.

The majority of our packaging is made of renewable and recycled raw materials and the filter papers for our pre-portioned teas are made of Abaca, a sustainable raw material from a fiber of the banana plant."
